Privacy Statement

During the duration of the funding program, our primary mode of communication with you will be through email. We would like to maintain contact with you beyond the funding period, for example, for evaluation purposes. Therefore, we kindly request your permission to continue using your email address even after the conclusion of the funding.

By signing below, you also confirm that we may contact you via your email address during the funding period.

If your application is not considered, your data will be deleted 6 months after the submission of the application.

According to the DGSVO (Datenschutz-Grundverordnung), you have the right to revoke this consent at any time.
